

Information for members 2023

The ASDI membership fee consists of a base fee (per ICU) and a bed-related fee. Base for the bed-related fee are the number of systemized beds (not open beds). For hospitals and hospital trusts with several ICUs, there exist reduced price models (see below). The membership fee is linked to the Austrian Consumer Price Index (VPI).

Membership fee for 2023:

Membership fee per ICU	€ 1.883,-
Membership fee per bed	€ 266,-
Reduced membership fees with:	
1 – 4 ICUs	0 %
5 – 9 ICUs	10 %
10 and more ICUs	20 %

All prices are without VAT.

Membership fees are to be paid per ICU; Registration of an ICU does not commit the ICU or its owners to any action aside the payment of the membership fee, any participation in projects are on a free-will base. Membership cancellation leads to a loss of all entitlements for any services granted by ASDI and there exists no right for a reimbursement of the fee or parts of it.

Maintenance fee and Oracle License

büll informatik gesmbh is responsible for maintenance of ICdoc pro and the Oracle Database licensing and system. This package is not included in the above mentioned membership fees and must be registered and purchased separately.
